

My Name My Story

Back To 'an Empathetic' School!

Summer is almost over and our goal at MNMS is to get you back to an empathetic and united school.

We had an exciting first half of 2013 at MNMS! New stories, book drives, meetings, and incredible mentoring sessions with some amazing social entrepreneurs around the country.

We have learnt a lot and you will see a simpler, clearer and robust MNMS for the new school year. We are excited to welcome MNMS Leaders from across the country and a dynamic new MNMS School Club Advisor with years of experience.

New School Club Handbook

The newly updated resource for our MNMS School Clubs is ready to guide you through the 2013 and 2014 school year.

This handbook contains a clear roadmap taking you through the set-up of your school club, the operations and details of MNMS Activities that you can lead within your school and community to inspire empathy.

MNMS Leadership Day

The first ever **MNMS Leadership Day** is going to be hosted on September 7th, 2013 at the beautiful campus of Chaminade College Preparatory in West Hills, CA.

This powerful, youth led, event will inspire empathy, unify and teach leadership. Attendees will learn how to create a tangible and intangible impact in their schools and community through a MNMS School Club.

For more information, or to register visit: **MNMS Leadership Day**.

New School Clubs

We are getting ready for an exciting new school year with MNMS School Clubs coming up in Florida, Illinois, North Carolina and multiple clubs in California.

The MNMS Leaders had an incredible opportunity to meet with Demi Lovato, thanks to Helen Ma from FTC.

Summer Book Drive

The summer book drive for 2013 has made a significant impact. We have donated books to underprivileged schools, hospitals, libraries, at risk youth centers, and partner organizations across the country.

Mentorship

"This summer I was excited to seek out and get some 'mentorship time' with some of my heroes in Social Entrepreneurship. These amazing individuals invested their lives and experience into me and the future of MNMS. I am ever grateful to their generosity of time and knowledge" Amit Dodani. THANK YOU:

Matt Nash (DUKE, Fuqua / CASE, Center for the advancement of Social Enterprise).
